No this is not a legal address.

We have not assigned any street numbers to the property since there no legal structures on the property.

When he registered to vote I used 0 Maple Street.(off of).

He registered at the RMV and unfortunately the RMV doesn't validate the addresses for Licenses and auto registration.

The comment I got was that they are relying on the applicants knowledge of providing a legal address. Application signed under pains and penalties of perjury.

Linda

Is this now a legal address? Do you have a business certificate for Nashaway Trail Hemp (Alan DiPietro)?

Thank you,
