TERMS & CONDITIONS

Agriculture is defined as those practices involved with producing crops or raising livestock for commercial food purposes on an area larger than one acre.

All of the regulations pertaining to regular Open Burning apply to Agricultural Burning with the exception that burning is allowed year-round and fires can be started 2 hours after sunrise.

Agricultural Burning is limited to those activities associated with the normal pursuit of agriculture and include but are not limited to fruit tree pruning, disease control of infected beehives, agricultural land clearing, disposal of fungus infected elm wood or dead raspberry stalks.
